

SDG 11 task adapted for CEFR A1–B1

Design a modern city

Work in groups. You are going to discuss the design of a new city. Rank the importance of each item for your new city from 1 (most important) to 10 (least important). Afterwards, compare your lists and try to agree on a final list.

Rank 1–10	
	■ roads for cars
	■ paths and cycle paths
	■ parks with nature
	■ fast internet
	■ shopping malls
	■ places to meet friends
	■ fitness centres
	■ offices and factories
	■ clean energy
	■ accessible public spaces
